Keep working on the Chinese and Russian. I'll stay in touch.

Looking forward

I am looking forward to meeting with you and your wife soon.

Dear Jack
The previous email was accidentally sent prior to being completed. Sorry.
Please read them together and let me continue:
"... I expect it to hold,as is, until we will (Hopefully) see a concluded deal.

I've already started contacting the Chinese and Russian candidates and expect preliminary responses in 72hrs.

To conclude such a deal within 2 months needs quite aggressive approach. I would like to know for myself to what extent this is a rigid constraint.

Re SF. Me and my wife Nili, will be there on Nov 8. We will be glad to have either a dinner or a lunch with you and your wife in SF on time and place of your choice. I'm sure it could be both productive and enjoyable".

Looking forward.
Best
Ehud Barak

Dear Ehud,

This will confirm my agreement with you that from the 5% sales commission of GADECO LLC, your share will be 3% net. Amir Gonen, Sascha Markoll and if there is anybody else, will divide the remaining 2%.

For your information, my wife and I are staying at the St. Regis Hotel in San Francisco arriving noon on the 7th of November and leaving late afternoon on the 9th of November. I certainly hope that we can get GADECO going beforehand.

Best regards,
Jack
